SUBJECT: Application for IT Project Manager - Mergers & Acquisitions at Progressive Insurance

Dear Progressive Hiring Team,

I am writing to express my strong interest in the IT Project Manager - Mergers & Acquisitions position at Progressive Insurance, as advertised on LinkedIn. With over 10 years of experience leading complex, multi-platform enterprise projects, my background in driving large-scale system integrations and aligning cross-functional teams for strategic growth initiatives aligns perfectly with the requirements of this role.

Throughout my career, I have successfully managed the integration of new technologies, processes, and teams for clients like Royal Caribbean and Banco de Chile, mirroring the complexities of post-acquisition environments. I have a comprehensive understanding of various delivery methodologies, including Agile, Lean, and Hybrid models, which I have used to ensure projects align with scope, cost, and schedule while navigating evolving demands and tight timelines.

My expertise in stakeholder communication, from C-level executives to technical teams, and my ability to foster a collaborative culture to drive seamless transitions, make me a strong candidate to contribute to Progressive's acquisition-led growth. I am confident I have the leadership skills and strategic focus necessary to deliver value on your key M&A initiatives.

Thank you for your time and consideration. I look forward to discussing how my experience can benefit Progressive Insurance.

Sincerely,

Andres Jimenez
