Hiring Manager

GeneDx

**SUBJECT:** Application for Technology Project Manager at GeneDx

I am writing to express my keen interest in the Technology Project Manager position at GeneDx, as advertised on LinkedIn. GeneDx's commitment to leveraging AI and machine learning in genetic testing to transform medical practice deeply resonates with my passion for applying technology to improve healthcare outcomes. My 10+ years of experience leading complex projects across diverse industries, including healthcare, align perfectly with the requirements of this role.

Sincerely,

Sebastian Ochoa Alvarez
